Eco-Fashion Workshops for Primary Schools

GUIDE

Hello, I'm Aurélie

Hello, I'm Aurélie, an eco-fashion workshop provider passionate about helping children explore creativity through sustainability. I design hands-on sessions where pupils learn to upcycle, repair and reimagine clothing in fun and accessible ways.

School Workshops

What Children Learn?

Upcycling techniques

Creative design skills

Basic sewing & repair

Sustainability awareness

Using old clothing and simple textile techniques, children learn how fashion choices impact the environment and how creativity can help reduce waste.

The sessions encourages confidence, self-expression, and practical problem-solving in a fun, supportive setting.
